Video tutorial – <http://www.youtube.com/playlist?list=PLBAI2EuYeKvf-OUkbtLKRr51Q-vm51Go>

**NOTE: I have not made the XL, XXL, XXXL sizes and yarn amounts are just a guide. The neck opening on these sizes may be too big and you will have to work rounds of crochet to make it smaller**

Age	Yarn grams	Yarn ounces
Toddler	150	6
Child	200	7
Adult – small- medium	250	11
Adult – large	350	12

Red Heart Super Saver Worsted weight yarn (10 ply)

(If you are using thinner yarn – 8ply / sports weight / DK you will need to make 1 size bigger)

5.5mm/I hook

Scissors and Yarn needle

Shell/shells = 3 double crochet grouped together

Space = gap between groups of shells

Length is easily adjusted by amount of round made

If you are not changing colour - Slip stitch across to the first chain 1 space, Chain 3, 2 double crochets in same chain 1 space, chain 1, \* 3 double crochets in next chain 1 space, chain 1, repeat from \* until you get to first corner. 3 double crochets, chain 2, 3 double crochets in the chain 2 corner space, chain 1. \* 3 double crochets in next chain space, chain 1, repeat from \* until you get to second chain 2 corner space. 3 double crochets, chain 2, 3 double crochet in the chain 2 corner space. 3 double crochets in next chain space, chain 1 until end of row, join with slip stitch in top of ch3.

Repeat 2 for the length you desire, changing colours as you go or just using same colour.

Neckline – you can use single crochet, half double crochet or double crochet stitches

Join colour into any chain 3 spaces – We need to work 3 stitches into the chain 3 spaces and 1 stitch into the chain that has the shell

Finish off and weave in your ends.

If you would like to make a tie for you poncho, make a chain as long as you need it and thread though neckline row

Thank you for choosing my pattern
